Reference Documents for General Meeting of Shareholders

Agenda and References are as follows:

Agendum No. 1: Disposition of Surplus

The Company believes that the best way to meet shareholders' expectations is to improve the consolidated performance of the Company on an ongoing basis.

The Company has adopted the principal guideline that dividend amounts should be within a range based on net income attributable to shareholders of the Company on a consolidated basis, and has set its consolidated dividend policy to maintain a consolidated dividend ratio at a level of approximately 20% to 25% of consolidated net income. In addition, the Company determines dividend amounts based on an overall assessment, taking into account various factors including the amount of capital expenditures necessary for the medium to long-term growth of the Company.

Pursuant to this policy and based on full year performance through the year ended March 31, 2010, the Company proposes a year-end dividend for the year ended March 31, 2010 in the amount of 60 yen per share, the same amount as in the year ended March 31, 2009. When aggregated with the interim dividend in the amount of 60 yen per share, the total annual dividend will be 120 yen per share, the same amount as in the previous fiscal year.

The Company also proposes to effect a reversal of its general reserve, taking into account the Company's financial status, performance through the year ended March 31, 2010, and business conditions going forward.

The proposed disposition of surplus is as follows:

1. Matters relating to Year-end Dividend
 - (1) Type of assets distributed as dividend:
 - Cash
 - (2) Matters relating to allocation to shareholders of assets distributed as dividend and aggregate amount thereof:
 - 60 yen per share of Common Stock of the Company.
 - The aggregate amount thereof shall be 11,011,256,340 yen.
 - (3) Effective Date of distribution of surplus as dividend:
 - June 28, 2010
2. Matters relating to disposition of Other Retained Earnings
 - (1) Item to be increased and amount thereof:
 - Profit surplus carried over: 15,000,000,000 yen.

 - General reserve: 15,000,000,000 yen.
